"This a show is the last event that will take place in honor of our beloved friend Steve Bennett who passed away in June. The show is free and bands will be paid with the money Steve's niece gathered with GOFundME. I've gathered great bands with people who knew Steve well and we will give him one last salute..Beer And Loud Music for him to rest in punk forever! Up the Fucking Punk!"

LA CHAÎNE is accepting submissions in english and/or french of: articles, reviews, photos, artwork, shows, classifieds (gear swap, ISO bandmates, missed connections...) etc. I am especially excited about local show or release reviews! Please keep it short: <500 words or < half-letter sized, or get in touch beforehand if you wanna submit something bigger. I am gonna try to put out a sheet every month or two, but we'll see how that goes.
